DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

The prior art taken alone or in combination failed to teach or suggest converting a portion of a received request into at least one specifically-formatted provisioning request for each provider based on a received bundle code to initiate a product supply process by the provider as recited in independent claim 7, 22 and 37.

The prior art taken alone or in combination failed to teach or suggest a service-provider gateway controller, connected to a central controller, configured to receive customer requests via the central controller and to distribute specifically-formatted provisioning requests to each of the providers to initiate a product supply by each of the providers as recited in independent claim 48.

InfoWorld, pTW1, Custom billing converges on industry: Increased competition for telcos means new services for customers", Nov 18, 1996, ISSN: 019-6649, Dialog file 16, Accession No. 04687776.

Kouchi et al disclose a delivery service management system having a barcode containing various different information for identifying a type of material.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
